## Fees and Benefits

### \$5 Meeting Fee

Your first visit is free. You need not join Lutheran Entrepreneurs to attend the meetings. After your free first visit, a meeting fee of \$5 will be charged to you each time you attend, unless you choose to join Lutheran Entrepreneurs.

If you believe you will attend more than five meetings per year, a membership will save you up to \$45 per year. You will also receive the benefits of membership.

### Membership Fees

**Business** - (\$25/one year, \$45/two years) Business members own or manage a business or franchise, or are independent representatives or associates of a business or executives of a corporation.

**Student** - (\$15/year) Student members age 17+, enrolled in a high school, college or graduate program, do not own or manage a business, (i.e. a business major or intern). Students are linked to an e-mail in the online directory.

**Associate** - (\$15/year) Associate members support the mission and vision of Lutheran Entrepreneurs, but do not own or manage a business, (i.e. pastor, community leader or retiree). Associates are linked to an e-mail address rather than to a business in the online directory.

### Membership Benefits
